

HIGH QUALITY

Stretch Film

With strong investment in facilities and manufacturing lines, Truong Phuoc Plastic's factory confidently brings partners the top-quality Stretch Film. We are equipped with modern machinery that is capable of manufacturing Stretch Film in a variety of sizes and thicknesses:

- Length from 550 feet to 5,050 feet
- Width from 16 inches to 30 inches
- Thickness from 50 gauge to 120 gauge

We apply automation lines to increase efficiency, minimize errors, easily control product quality, reduce labor costs and contribute to environmental protection. Combining an exclusive formula and high-quality LDPE plastic materials, our Stretch Film has a 5-layer structure with increased 4-way elasticity, excellently enhanced tear resistance and resistance to environmental impacts. With customizable paper core specifications, our Stretch Film is suitable for both hand wrapping and machine wrapping.
